

# Zusatzbetriebsanleitung

M3 GT Coupé

Bevor Sie diese Zusatzbetriebsanleitung lesen, hier noch einige wichtige Informationen:

Die Beschreibung von Umfängen, die nicht in dieser Zusatzbetriebsanleitung enthalten sind, entnehmen Sie bitte der **Betriebsanleitung des Fahrzeugs oder weiteren evtl. beigefügten Einbau- oder Zusatzbetriebsanleitungen**. Bei Fragen hilft Ihnen Ihr BMW Service weiter.

Fortschrittliche Technik und hohes Qualitätsniveau der BMW Ausstattungen werden durch ständige Weiterentwicklung gewährleistet. Evtl. können sich so Abweichungen zwischen dieser Zusatzbetriebsanleitung und der Ausstattung Ihres Fahrzeugs ergeben. Auch Irrtum können wir nicht ausschließen. Bitte haben Sie Verständnis dafür, daß deshalb aus den Angaben, Abbildungen und Beschreibungen keine juristischen Ansprüche hergeleitet werden können.

Before you read this Supplementary Owner's Handbook, here is some important information.

For descriptions of items which do not appear in this Supplementary Owner's Handbook, please refer to the Owner's Handbook for the car or any other Installation Instructions or Supplementary Operating Instructions supplied for the items concerned. If you have any questions, please consult BMW Service.

The advanced technical features and high quality standard of BMW equipment are assured by an ongoing development process. This can lead to discrepancies between the details quoted in this Supplementary Owner's Handbook and the actual equipment on your car. Nor can errors be entirely ruled out. Please note, therefore, that no legal claims can be entertained on the basis of the data, illustrations or descriptions provided in this publication.

Informations importantes concernant la présente notice complémentaire:

Pour la description des sujets ou des aspects techniques qui ne sont pas traités dans la présente notice complémentaire, il conviendra de se reporter à la notice d'utilisation du véhicule ou aux instructions de montage ou encore aux autres notices complémentaires éventuellement jointes. Votre point Service BMW vous apportera volontiers toutes précisions.

La technique de pointe et le haut niveau de qualité des équipements BMW sont assurés par un développement constant. De ce fait, il peut y avoir certains écarts entre cette notice complémentaire et l'équipement de votre voiture. Certaines erreurs ne sont par ailleurs jamais à exclure. Par conséquent, les informations fournies par les chiffres, les

illustrations et les descriptions, le sont sans engagement de la part de BMW et l'on ne pourra donc en aucun cas s'en prévaloir juridiquement à l'appui de revendications de quelque nature que ce soit.

Prima di leggere il presente supplemento al libretto Uso e manutenzione, La preghiamo di tener conto delle seguenti importanti informazioni:

la descrizione delle dotazioni non comprese nel presente supplemento è reperibile nel libretto Uso e manutenzione della vettura oppure in altri fascicoli eventualmente allegati, come istruzioni di montaggio o supplementi al libretto Uso e manutenzione. Per qualsiasi chiarimento si rivolga al Suo Centro Assistenza BMW, che sarà lieto di aiutarLa.

La tecnica all'avanguardia e l'elevato livello qualitativo degli equipaggiamenti BMW sono garantiti da un continuo perfezionamento. Possono quindi risultare eventuali differenze fra il presente supplemento al libretto Uso e manutenzione e l'equipaggiamento della Sua vettura. Non possiamo neppure escludere a priori ogni errore. La preghiamo quindi di comprendere che non è possibile rivendicare diritti legali in base a dati, figure e descrizioni qui contenute.

## M3 GT Coupé

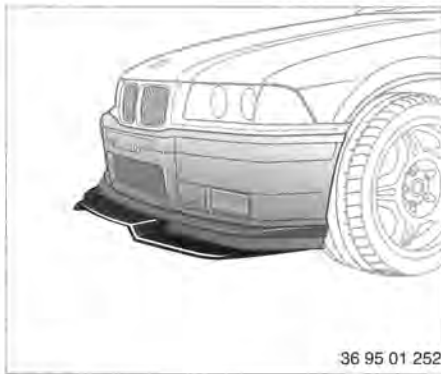

Your M3 GT Coupé's advanced aerodynamics and sports suspension combine maximum road grip with outstanding handling. Tyre adhesion and stability are noticeably enhanced, and aerodynamic lift is considerably reduced.

For use on public roads, it is not necessary to make modifications to the front or rear spoiler, even if a dynamic driving style is adopted.

It is therefore possible to dispense with adjustments to the front spoiler and the addition of a rubber lip to the rear spoiler (though depending on the situation, this can be of value for motor racing).

### Note:

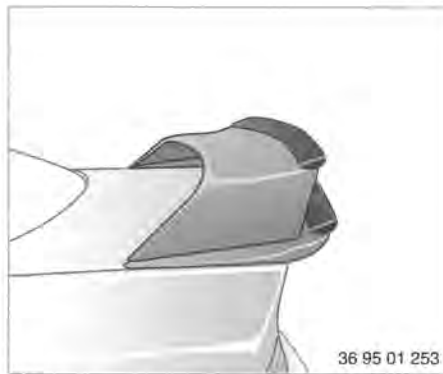

If the front spoiler is extended or a rubber lip attached to the rear spoiler, the car's top speed is reduced and fuel consumption and tyre wear are increased.

36 95 01 252

### Note:

Due to the special front spoiler, ground clearance is considerably restricted, especially with the spoiler extended. Drivers are therefore advised to take care when entering underground garages, driving over kerbs etc.

36 95 01 253

### Note on automatic car washes

In certain types of automatic car wash, the blower has guide wheels which may not clear the rear spoiler in time. To avoid this, consult the car wash operator first so that damage can be prevented.

## Performance data

<b>Top speed</b>	km/h mph	250 (electronically governed) 155
<b>Acceleration from</b> 0 - 50 km/h (0 - 31 mph)	s	2.3
0 - 80 km/h (0 - 50 mph)	s	4.5
0 - 100 km/h (0 - 62 mph)	s	5.9
0 - 120 km/h (0 - 75 mph)	s	8.3
80 - 120 km/h in 4th gear (50 - 75 mph)	s	6.4
<b>Standing-start kilometre</b>	s	25.4

## Filling capacities

	litres/Imp. pints	Note
<b>Engine oil incl. filter renewal, both drain screws open</b>	5.75/10.2	See your car's Owner's Handbook

## Engine data, fuel consumption

<b>Displacement</b>	cm <sup>3</sup>	2990
Number of cylinders		6
<b>Maximum output</b>	kW	217
	bhp	295
at engine speed	rpm	7100
<b>Maximum torque</b>	Nm	323
at engine speed	rpm	3900
<b>Compression</b>	ε	10.8
<b>Stroke / bore</b>	mm	85.8/86
<b>Fuel preparation</b>		Digital Motor Electronics
<b>Fuel consumption acc. to DIN 70 030/1 ECE</b>		
At 90 km/h	litres/100 km	6.5
(56 mph)	miles/gal	43.5
At 120 km/h	litres/100 km	7.9
(75 mph)	miles/gal	35.8
In urban traffic	litres/100 km	13.0
	miles/gal	21.7

## Dimensions

Length	mm/in	4433/175
with front spoiler extended (max.)	mm/in	4533/178
